MATFORCE Offers Voters a Look at What is Really in Prop 205 – The Marijuana Legalization Initiative

MATFORCE is offering a series of presentations aimed at helping voters fully understand both the intended and unintended consequences of the 20 pages of new laws in Prop 205, the marijuana legalization initiative. The way the proposed initiative is written will cause a cascade of public health and safety problems, such as changes in DUI laws, child custody issues, employment law, workplace safety and many more.

The presentations invite voters to better understand the impacts of Prop 205 on children, families, public safety, employers, landlords, and cities and towns. Presentations at each location will be held twice a day, from noon to 1:00 pm and from 6:30 pm to 7:30 pm, except for the Camp Verde presentation, which will only be held from 6:30 – 7:30 p.m.

Verde Valley presentations will be held in Cottonwood, Camp Verde and Sedona. The Cottonwood presentations will be held on October 11th at the Verde Village Clubhouse, 4855 Broken Saddle Drive. The Sedona presentations will be held on October 13th at the Sedona Community Center, 2615 Melody Lane.
